SilverArts, "a celebration of the creative expression of seniors in North Carolina", is a major component of the traditional athletic competition of North Carolina Senior Games. In a philosophy that strives to keep seniors healthy, active and involved, SilverArts unites the athlete and artist in a program that recognizes the similarities of both endeavors: discipline, dedication, and pride in one's accomplishments.

SilverArts provides a stage for the creative talents of the visual, heritage, literary, and performing artists. Encouragement and recognition of creative potential and accomplishment is the goal of the SilverArts program.
